French, German, Italian, Portuguese or Spanish:

Beginners Level: Monday, 7pm – 9pm, £95 per term

Starting right at the beginning of learning French. You will learn the basics of the language (eg use regular and common irregular verbs in the present tense, formulate and answer questions, formulate positive and negative sentences, use spelling and numbers) and you will learn to use them actively and creatively in holiday situations (e.g. introduce yourself, order a meal, ask for directions, prices, telephone numbers, buy stamps, bus tickets, book a room, hire a car etc...)

Students should set aside some time for homework.
